 - Survey info:
 - 21 responses
 - 100% interested
 - 81% would need some fundraising opportunity to help make the payments
 - 1 out of 21 feels the expenses are too high for this year
 - 10 yes/6 maybe interested in their own travel simultaneous
 - Comments:
 - Thank you for putting this together.
 - Chaperone if needed - but would be happy to allow others to chaperone
 - More specifics on meals?
 - We will plan to travel there as well and could be called upon for assistance.
 - My concern is that I have two students in band. While our family could budget to send one, I cannot afford to pay over 5k for a trip and an additional 1k for dues, not to mention winter guard/percussion. That is just way too much for one family.
 - I would potentially be interested in chaperone but would really depend on the details. We (parents) would be planning to attend this trip.
 - I am concerned about the number of days and that it wouldn't make sense to buy the park hopper pass and the universal pass given that there are truly only 3 days of parks that the kids could go to. I would love to look at reworking the schedule a bit.
 - Can't wait!!
