**Dayton:** We still don't have that much move on the Dayton trip other than that we received a few budgets from other schools to give us an idea on costs. Once we receive more information we will send out an email on about how much per person it will cost. The next step we will need to ask for commitment from students for Winter Percussion. If you want to participate in Winter Percussion you will need to go to Dayton.

Parents are anxious to know what the cost will be for the Dayton trip.

**Other items:**

We are going to have three times this year to get the physical reloadable scrips cards. - Back to school time, Christmas and Graduation time.

We asked parents how they felt about doing Yankee candles and butter braids fundraisers. They expressed they want them separate times this year - August for Yankee candles and November for Butter braids deliver for before thanksgiving.

If you have any other fundraising ideas, please feel free to email the band booster.
