Trip-2020- Hawaii is not a viable option as it would cost \$2100/student before airfare. \$3000 with Airfare David Evans stated New York is still an option but less performance opportunities. David stated he works the kids really hard so would like it to be rewarding and fun.

Orlando and Disney also an option, Would include a parade on main St. Disney as well as clinic opportunities. Goal is to have pricing by spring and trip would be Spring Break 2020.

WG rep and Middle School Visit: this is an option but the guard member would have to do it on an off hours and drive them selves so is not sure it will work.
