For the Legacy competition more, information will be coming from Mr. Evans. You can park in neighborhood or across the street at Thornton High. You can find the group by searching for our Mountain range trailer.

Sign up for remind if you have not yet, this is how we will communicate during the competitions.

Mike Kaiser spoke with Mr. Evans about corporate sponsors asking for help if anyone would be interested.

We plan of having meet and greets with parents during rehearsals. This will be just social time with snacks getting to know each other, answer questions...let us know if interested. We will need to bring our own chair as we will be hanging out on the lawn at the school.

Right now, we are waiting to see if we will be doing the parade of lights. the process has changed this year and Mr. Evans has tried to fill out application not so friendly process. If we won't be doing the parade of lights, we will try for the Brighton Parade.

For the parade, we string lights on the student's uniforms. It's a fun experience for all.

Parents suggested this year we send out a sign-up genius to request candy to hand out at the Brighton parade.

If anyone has restaurant night or fundraiser ideas, please send the boosters and email.

Becky will let us know about the Mattress fundraiser (this will be for January or after)

If you have any other fundraising ideas, please feel free to email the band booster.
